SYCAMORE PROGRAMME

Sycamore is an informal course about the Christian faith.

It gives you space to meet people, share ideas, think about things that really matter: How can we find happiness? What's the meaning of life? Does prayer make a difference? Each Sycamore session starts with a simple meal followed by a short film & some time for discussion. There's no pressure & no commitment.

There's a real sense of community, a spirit of friendship, some great conversation & delicious food. Everyone is welcome. Sessions will run in the church hall for 10 weeks.

Thursday evenings starting on 26th September 6.45pm-8.15pm. Find more speak to Liz Vickerstaff
